BOARD BITS

The kitchen cabinets and center island have been removed. New stainless steel tables will replace the workspace. It will have a new, clean look when finished. The A/C that supplies the east portion of the hall was found to be faulty and has been repaired. The new windows for the hall have arrived, but are damaged and will be returned for new ones.

The radio/tape player by the pool is there for your enjoyment. We ask that if you use it, please cover and return it to where you found it. Thanks!

A little Eagle Point Wildlife News—Avis Thattell was trying to trim her palm tree when Bob (Beaver) Radebaugh stopped by, trimmed a branch and a bird nest fell out! Well, they gathered the nest and egg, and finally got it back into the tree. Avis will tell you the whole story, as Beaver was the Hero of the day! Thanks.

Saturdays
8:30-?

All the 'News' stems from Saturday Morning Coffee! April 26th the donuts were donated by Henry Wright for Anathlee's birthday; donuts by Jim Gleason, in honor of his birthday on May 3rd; although Clancy was already headed north, Kathleen Lapcinski donated the donuts in honor of his birthday on May 10th; on May 17th, the donuts were donated by the Petty's in honor of their 50th anniversary; and on May 24th, donuts were donated by Les & Helen Torguson in honor of their 25th anniversary! And to top it off, the Happy Birthday recording by Larry Rhoades is played as if he is right at the piano! Also on May 24th, we had a former resident, Jim Beron present, and his entertainer friend, Dorothy (Granny) who surprised us by giving a few giggles. Thanks Jim and Dorothy.

A birthday card for residents who were present to sign, was passed for Gladys Vincent who will turn Ninety-nine (99) years young on June 9th. A big "Happy Birthday Gladys"!

Memorial Day Potluck was enjoyed by all. The names of deceased Eagle Pointers were read and Jim Raftery played Amazing Grace on the bagpipes. A possible First Day of Summer Bash planned!

A private surprise 50th Anniversary party was held in the Social Hall on May 17th for Helen & Glenn Petty by their daughter, Pam, from Punta Gorda and their son, "Tex" from Tombstone, Arizona. Helen was totally surprised, but Glenn was in on a few things. BUT, he didn't know that his brother and sister-in-law were here from Texas. The food was prepared by Al & Rita Fendic. It was an enjoyable evening.

We thank all of our friends and neighbors of Eagle Point who help gather the news. We'll try to keep the Eagle Extra flying. Also, the new Eagle picture at the top was introduced by Anna Wrobble. Thanks Anna!
